

Professional magazine production

Let us help you optimise your magazine production and cut costs

Dedicated to magazine production

Buchs is quite simply dedicated to magazine production – and with more than a century of experience of graphic production, we know a thing or two about the industry. To maintain our position in an ever more competitive market, we have established a subsidiary in Vietnam, spent years perfecting our processes and built up a successful team of dedicated professionals.

Here's what we offer

Low pricing

Outsourcing production to our office in Ho Chi Minh City allows us to produce high-end magazines at very low cost.

High quality

Our team of skilled creative staff are experts in magazine design, ensuring highest quality professional layout.

Flexible workflow

Our workflow can be tailored to perfectly match the editorial processes and general needs of our clients.

Reliable and secure

Our advanced setup and server technology keep your files safe at all times, ensuring easy and timely transfers.

A proud selection of clients

Spanning from fashion and lifestyle to weekly magazines, we serve a wide variety of clients and are accustomed to designing for many different looks and styles.
